Communication skills

- I am able to relate to different kind of professionals, coming from different nationalities also thank to the experience I enjoyed abroad and the various relationships developed in my legal career. I am also capable of communicating in a clear and precise way, responding to the clients’ , counterparts’ and judges issues in the above mentioned working experiences.

Organisational / managerial skills	I am able to organise my work independently, but I am also able to work in group, even in coordination and supervisory positions, defining priorities and taking responsibilities. I achieved these skills through the different above mentioned professional experiences, in which I have always been requested to interpret and satisfy the clients’ needs, and also to solve problems and reach the clients targets, to manage independently legal issues and to relate to the client, complying with deadlines. I can work under stress, skill that I achieved thank to the clients’ relation management, particularly through civil litigation experiences in which it is mandatory to properly illustrate the legal issues and provide correct solutions, respecting deadlines.
Digital competence	Windows and Mac. MS Office (Word, PowerPoint, Excel), Ms Works, MS Project Management. Good knowledge of the Internet and Email services.
